SEO · AEO · GEO

Google + AI answers

FOUND ON GOOGLE. QUOTED BY AI.

SEO Rank on Google and Bing, and in the Maps pack.

AEO Be the direct answer: snippets, People Also Ask, voice.

GEO Get named and linked by ChatGPT, Gemini, Perplexity and AI Overviews.

One number, agreed before the first line of code.

01 **Diagnose**

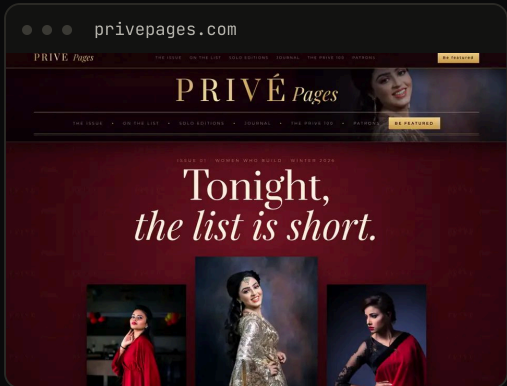

Read the code that is already there. Agree the metric, and measure it.

02 **Build**

Production software, small and correct. The ugly path tested first.

03 **Prove**

Report against the baseline. If it did not move, we are not done.
